Spring/Summer 2020

SUMMER STAFF IS HERE AND EXCITED

We are looking forward to providing faith formation and leadership opportunities for our young adult summer staff! These staff members are committed to growing in faith, learning more about themselves, growing together as a community and serving the families of Luther Park in new capacities this summer. *Thank you for supporting them!* 🙌

10 NATIONAL WORKING STAFF:

Greta Delaune - Shoreview, MN

"I am so excited for the not so traditional camp because of the opportunity to come together at Luther Park and work on something special for our campers despite the fact that they won't get the traditional camp experience! While it's unfortunate we won't be able to be in person with the campers, I am thrilled to see what we can create for them in the upcoming weeks!"

Quentin Emole - Cameron, WI

"I'm excited to get away from the hustle and bustle of regular life and meet new people."

Zach Fisher - Rice Lake, WI

"I'm so excited to work on some new and exciting projects for camp! It'll be rough not seeing some of our awesome friends this year, but hopefully we build something great they can come back to!"

Noah Hanson-Best - St. Paul, MN

"This summer I am most looking forward to the chance to reconnect with old friends and to build new relationships with the new staff members. I'm going to miss the noise and bustle that the camper bring with them and their different personalities."

Madison Main - Webster, WI

"What I will miss most about traditional camp this year is the collective community experience. Camp is full of memories made with others and I will truly miss those connections. I'm super excited how all the staff will work together to create something amazing in this new normal."

Gabe Nordby - Center City, MN

"I'm going to miss meeting and getting to spend time with all the new and returning campers. I'm excited to go into this unknown area and can't wait to see how it turns out and what new memories I am going to make."

Liz Pemberton - Richfield, MN

"What I will miss about camp is seeing the kids from previous years. I am excited to make new friends with the staff. I am also excited to try something completely new, to see how we will spread God's message and bring the joy of camp in new ways."

James Powell - Rosemount, MN

"What I'm most excited for this summer is being able to develop what I think will be a close staff group that will be given lots of time to connect and be together. But with all that time comes sacrificing what I believe makes camp so special, which is the connections you build between counselors and campers."

Tommy Shultz - Bloomington, MN

"I'm excited that we can still give campers some camp experience and help them grow in their faith but I'm gonna miss playing games with the campers and having a fun time together."

Caity Wright - Apple Valley, MN

"I'm most excited to see how we can adapt and create resources for the community and for camp itself that will be useful for years to come. I'll really miss the energy that campers bring to site each week and the community and friendships that are formed."

4 INTERNATIONAL NON-WORKING STAFF:

These four staff members are not able to join us this summer because of the effects of COVID-19. We will miss them dearly and wish they could be a part of our summer experience.

Margo Toth - Budapest, Hungary

"Luther Park, I'm going to miss you so much that I will be seeing you every time I dream. In my dreams I will hear the loons' call by Lake 26. I will be able to smell the smoke from campfire. I'll be hearing campers cheering to the Never Ending Love Song while the staff is trying to stop the song after the 5th round of repeating. I'll miss the laughter, the community, my friends who I got so close with throughout the years. I will miss feeling like I'm a part of something bigger. Every night when I close my eyes, I will see the starry sky watching over camp, until we finally meet again."

Ally Darragh - Sydney, Australia

"I'm going to miss being at the waterfront, watching the kids enjoy themselves in the lake. I'm also going to miss the campfire s'mores! When I can come back to camp, I'm looking forward to seeing how much campers have grown as people and singing songs with them at campfire."

Sharon Rondon Avendano - Sabaneta, Colombia

"I was waiting for the opportunity to go to a camp this year. I was excited about it because it was a new experience in my life and I have always wanted to go to the US and help people out. Even though I can't come this summer I have already made good friends with all the staff of the camp. I feel comfortable and happy talking with the generous, funny, helpful and friendly staff about the experiences of camp. I am hoping that God's timing will be perfect next year so I can try and go to Luther Park next summer."

Lily Ortiz - Minatitlan, Mexico

"I am sad that I can't go to camp this summer and I am going to miss the opportunity to meet such amazing people and experience this cultural exchange. I hope next year I can get to know all the amazing staff and campers, the country and have fun being of great help to the camp. I hope to meet you soon!"

THOUGHTS FROM A CAMPERS' FAMILY... **HENRIK, MATS AND BETH**

They are members of Nativity Lutheran Church in St. Anthony.

HENRIK (age 10)

I love Luther Park because it's always a surprise to see all of the new counselors and kids that you could be with in your cabin. Some of my favorite activities are canoeing, kayaking and playing pool in the game room with my friends. Last year, we woke up early and fished twice, as well as doing the Polar Plunge. We also played full camp games, which were Capture the Prom Dress and Boofers, which were very fun. Boofers is where you try to do different tasks for the counselors, while being chased by the Boofers. Capture the Prom Dress is just a really fun and really big game of Capture the Flag with Prom Dresses as the flags. Worshiping with my camp friends in the forest is very fun, full of songs, and is very spiritual and close to God. Something I also really like is jumping off the floating platform in the deep end. I also like KP, which is where you clean the tables and floors in the dining room. It doesn't sound fun, but working with your cabin mates is really fun, and brings you closer together.

MATS (age 7)

I thought that it would be scary because it is two hours away from mommy and daddy and I'm not used to being that far away from them. Then I went and it was really fun. I wasn't scared like I thought I would be because of all the kind people and counselors. I was the littlest in my cabin and my cabin mates turned my bunk bed into a fort with two night lights where I felt safe and cozy. I loved staying in a cabin and playing in the game room. I like Kitchen patrol because it is cleaning and working but is fun because you get to be with your cabin mates and work together as a team. It was fun being on my own at camp without my mommy and daddy watching over me all the time.

BETH (Mom)

I first sent my oldest son to Luther Park when he was only 8 years old. I was very hesitant and nervous about sending him two hours away for three whole nights. He has always been a troubled sleeper. He was a colicky baby, a restless toddler and had regular nightmares since he was 3 years old. He had never slept over with friends and had only gone to stay with grandma for one night in his whole life. I often found him next to my bed in the middle of the night. Needless to say, the thought of sending him to sleep away camp never even crossed my mind. But he was introduced to the idea during his faith formation class at church and came running to us after class asking if he could go. It all looked like so much fun! He really wanted to do this and we could see the determination in his eyes. We talked about it and prayed about it and let him lead the way.

When the time came to drop him off he turned bravely from us and headed into a room full of kids he didn't know, all by himself. He believed he could do it and he did. When I picked him up three days later he came running up to me again, his face glowing with pride. He immediately said he would be back for the full week next year, and even asked if I could just leave him there for the rest of that week! The joy I see in his face when he talks about his experiences at Luther Park are far beyond what I could have imagined for him. Not only does he love the fun experiences but I have seen how he takes the lessons about God's grace and love and carries them forward into his life all year long. When my younger son was only 7, his older brother convinced him it was time for him to experience Luther Park too. My younger son has food and environmental allergies and, again, I was scared to leave him in the hands of strangers for 3 nights without my watchful eye and hovering presence. I was, once again, blown away by the experience my sons were given by Luther Park staff. They eased my fears and met my son's needs. When I picked them up that summer I learned that they had gone early morning fishing, made new friends, and dug even deeper into the joys of God's creation. Luther Park has given our family a community we can trust to provide our kids with the love, guidance, and connection they need to grow both physically and spiritually as young men. 🙏

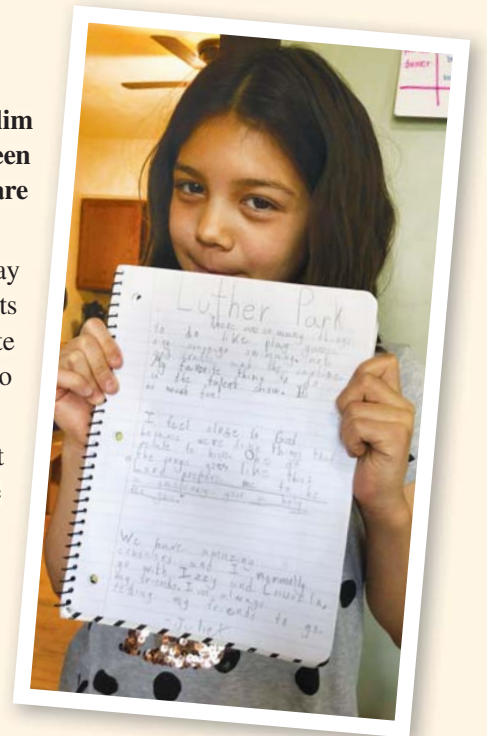

THOUGHTS FROM A CAMPER... **JULIET PENA**

Ten-year-old Juliet Pena, from Elim Lutheran Church in Robbinsdale has been going to camp since first grade. These are her reasons why she loves Luther Park.

There are so many things to do like play games, sing songs, go swimming, do arts and crafts, and visit the canteen. My favorite thing to do is the talent show. That is so much fun!

I feel close to God because we do things that relate to him. One of the songs goes like this, "Lord prepare me to be a sanctuary, pure and holy, tried and true."

We have amazing counselors! I usually go with my friends Izzy and Consuela. I am always telling my friends to go! 🙏

THOUGHTS FROM A COUNSELOR... **MADISON MAIN**

I'm so happy that God brought Luther Park into my life and I believe this happened for a reason. I feel like Luther Park is my second home and it was meant to be a special place in my life. I've made so many friends, so many happy memories, and have grown into myself and my faith tremendously. This was all part of God's plan for me.

I started going to Luther Park as a camper through my church: Lakeside Lutheran in Webster, WI. I remember getting so excited and overpacking way too much. I still have my journal that I used when I was a camper and it's so funny to go back and read about my experiences. It makes me miss the simple life of being a child. Back then, I didn't really know how the world worked, but I knew everything felt right and balanced at Luther Park.

After I went off to college, I was looking for a job for the following summer. I remember this moment vividly: I was home for winter break and I was watching a movie about a summer camp. It inspired me and so I messaged Anna Treague, the former Associate Director, inquiring about a summer job opportunity. The rest is history. I worked there for two summers in a row during college. The first summer as a counselor, and the second as Activities Director. I was going through a lot personally at that time, with college and some deaths in the family, and Luther Park, and everyone there, helped me through those tough years.

This year, I am returning for my third summer to be the Activities Director again. The world is in chaos right now, and this isn't really what we signed up for but camp is about being adaptable, and I am excited for this journey. I am certain that no matter what, we will all find peace, hope, and love in God. 🙏

A Message From The President

Scott Housman

Wow! What a first quarter for this new and incredibly challenging year! We have been indoors from Mid-March, learning how to be at a safe distance, disinfecting our hands arriving and leaving the grocery store, and cleaning everything. At times, it is unnerving. The scriptures speak of storms and how God will always be with us. Not to fear the storm.

“Do not fear for I am with you; do not be dismayed for I am your God, I will strengthen you and help you; I will uphold you with my righteous right hand.” - Isaiah 41:10

WE'RE GONNA MAKE IT THROUGH THIS. We are **STRONG** in faith!!! Luther Park Camp and Retreat Center is not without its challenges too! This year is bringing many changes and challenges forward. Since campers will not be able to come to LPC this year, our adaptive directors, Joel Legred and Leah McDougall have had their hands full. They are working diligently within the CDC and state guidelines, brainstorming on new, never-tried ways of bringing LPC to kids! The past few weeks, I have seen them turn lemons into sweet lemonade. While they do their part, I wonder if I could ask you, (the friends of Luther Park) to help us in another way. By donating more than you have in the past. Its in this time of challenge we need that support the most.

Look to our website to donate if you can. Also look for surprises for the campers there too!! www.lutherparkdanbury.com

Rest assured campers we'll be in touch one way or another!! Stay safe and God Bless you and your family!

A Message From The Executive Director

Joel Legred

Off the Grid

Jesus said to them: Come with me to a quiet place and get some rest - Mark 6:31.

Camp ministry has always been “off the grid” and we are proud of it. We have been the place to get away, the space to decompress. People have come for spiritual refreshment, quiet moments, and time in nature.

Now friends and family are seeking connection. Our desire for togetherness is another way Bible camp has ministered to people of all ages. People who have never met, meet at camp. Couples renew their marriages. Kids make new friends, sometimes for life.

Luther Park like everyone is finding a new normal. In navigating new waters, we are remembering why we're here. One of the main reasons is young people. This is why we are going to be offering leadership training and spiritual direction to our college-age staff this summer. Without kids on-site, they will not have the normal counselor routine so we are taking advantage of the opportunity to deepen their faith and their futures.

Navigating a new normal is something camp has always done. In fact, Luther Park staff will say that one of the most important leadership gifts they discovered at camp was adaptability. They are more readily able to adjust and innovate when things do not go as planned.

Perhaps God invites us all to flex our muscles and adapt to the times as we are able. Thank you to everyone who is helping us with special gifts and prayers during the summer. We need your help for what we call “essential” ministry. May God bless you with health and God's peace.

PEDALING TO BENEFIT LUTHER PARK!

Have you ever wanted to help Luther Park out by raising funds and participating in the Bikeathon? Well this is the year to do it!

Due to COVID 19, this years Bikeathon is going virtual! Individuals can gather pledges and bike 120 miles throughout the summer in stages in the Twin Cities area. This is such an important fundraiser for Luther Park, especially this summer, since the camp will not have the income from campers.

If you decide to participate in this virtual Bikeathon, please take photos! Share with us via Email - camp@lutherpark.com, Facebook - www.facebook.com/lutherparkdanbury or Instagram - [@lutherparkdanbury](https://www.instagram.com/lutherparkdanbury)

MESSAGE FROM LUTHER PARK BOARD OF DIRECTORS AND STAFF

As you may have anticipated, the Board of Directors and staff have made the difficult and sad decision to not offer the scheduled, on-site summer programming to campers and families in light of the COVID-19 pandemic. Our camper and staff safety and care has always been our first priority. Guidelines from the American Camp Association and the CDC include restrictions that would inhibit the camp experience and we feel that it would be best to not gather on-site.

We will be exploring options for our summer retreat ministry with individual families and groups already booked. Our staff will be in touch with congregations regarding contracted day camps and make decisions that are mutually satisfactory.

Our summer staff is hired, able and ready to work on special camp projects as well as engage in faith formation opportunities and leadership development training this summer. They will be preparing “Camp-in-a-Box” to be sent to camper families and possibly hosting a virtual camp experience for campers interested in enjoying a little bit of camp at home this summer.

We will look to generous donors in addition to camper families to help get us through this challenging time. All are welcome to share a gift on-line at www.lutherparkdanbury.com, or mail it to **Luther Park, 30376 Lakes Dr., Danbury, WI 84830.**

Registered camp families will also have the option of rolling payments into summer 2021 or requesting a full refund.

We thank you in advance for your patience as we work through this difficult time. We are deeply grieving the loss of what we have known camp to be in years past, but we have faith in God and trust that we will discover new ways to grow together and continue to be the community of Luther Park.

As always, please feel free to reach out to us at Luther Park with any questions, concerns or comments.

Take care, stay safe, and God bless. 🙏

Be sure to check Luther Park's website - www.lutherparkdanbury.com for updated information on activities that may be offered this summer and fall.
