Packages are fun to receive at camp, however, we ask that you limit the number of packages that get sent and consider including something the camper can share with their whole cabin group. Be mindful of peanut/treenut and gluten allergies when making a decision.

Promotional Pictures

We are taking promotional pictures all summer that are used in brochures, on our website and put onto Facebook. Please contact Madison if your camper(s) that cannot have their photo taken for these purposes.

Camper Photos

You can check our Facebook page (at www.facebook.com/lutherparkdanbury or search for "Luther Park Bible Camp - Danbury, WI") throughout the week for photos of the week. You do not need a Facebook to see the photos. We try our best to update the page every night before bed, but it is not guaranteed that we will have time. Camp is a busy place!

Homesickness

Because campers are participating in a new routine, with new people and away from their home environment it is common that some campers may experience homesickness. Our staff are trained to talk with and help the camper as much as they can. It is helpful if parents/guardians talk about camp weeks before camp starts so the camper can feel prepared to come. If the parent/guardian think their campers may experience homesickness we recommend that they pack things that remind them of home (their favorite pillow, stuff animal, blanket, a family picture, etc.). Parents/Grandparents/Guardians may also want to write them a letter & leave it in their suitcase for them to read when they are missing you. Sending a letter or email to camp may also help the camper throughout the week. Many times, the camper is able to work through the homesickness and still enjoy their time at camp, but if not we will most definitely consult the parents/guardians about the situation and come up with a plan on how to proceed.

Camper Behavior

We ask that all campers, staff and guests follow the Code of Conduct (found on the camper piece of mail). Luther Park does reserve the right to dismiss a camper. In this unlikely event, registration fees may not be refunded. If a camper is destructive to property, the parent/guardian will be contacted for appropriate reimbursement and/or dismissal from camp. If a camper is displaying inappropriate and/or unsafe behavior or language, parents/guardians will be contacted about the situation, and may lead in the camper being dismissed from camp.
